

2021 Hazlet's Hope Network Report

Addiction does not close or shut down due to a global pandemic. Being quarantined has left many feeling isolated and depressed. This year Hazlet's Hope Network had its most productive year to date. We have helped 30 individuals seeking a lifestyle change.

This all could not be possible without all of the generous donors who have contributed to our cause. We can not thank you enough and hope for your continued support of our mission!

This year we were proud to team up with the Hazlet Police Department to create the ASSIST program for anyone seeking assistance with substance abuse. Every Wednesday we provide a Peer Recovery Coach who is stationed at the Hazlet Municipal Courtroom to provide a resource For those who are, and those who have loved ones, struggling with addiction.
